

# FAAD/SADD PLEDGE

*(Friends Against Alcohol and Other Drugs/  
Students Against Destructive Decisions)*

FAAD/SADD is a student organization asking parents to please read and sign this pledge to indicate that you are concerned parents willing to join the fight against drug and alcohol abuse. Students whose parents sign the FAAD/SAAD Parent Pledge are noted in the student directory with an asterisk (\*) beside their names. When your child is invited to a party, you will be able to use the directory as a reference to know if your child is going to the home of a student whose parents have signed the pledge.

**If you have previously signed this pledge with Marshall High School and your student's name has appeared in the directory with an asterisk, it is not necessary to sign again.**

## PARENT PLEDGE:

**"I pledge that all parties for school-age children in my home will be chaperoned and will be alcohol and drug free."**
