

**George C. Marshall High School  
2018 All Night Graduation Celebration  
7731 Leesburg Pike, Falls Church, VA 22043**

October 2017-April 2018

Dear Friend of George C. Marshall High School:

**We are requesting your support for the 2018 George C. Marshall High School All Night Graduation Celebration (ANGC) on June 13, 2018.**

Graduation is an important night for our seniors and families. In 1987, local high schools and community sponsors created ANGC to provide students with an alcohol and drug-free celebration. Since that time, Fairfax County and all the High Schools have done an outstanding job supporting this event which safeguards students through their graduation night. George C. Marshall High School is the community high school of Tysons Corner and the surrounding areas of Vienna, Falls Church, McLean, Merrifield and Dunn Loring. Marshall's International Baccalaureate (IB) diploma, certificate classes, and the Marshall Academy attract students from across Fairfax County. It is likely that our 2200 outstanding students and their families not only have patronized your company but also work in this business community.

Hosting an ANGC celebration requires significant financial support. ***We invite your support by:***

- ***Pledging a cash contribution to sponsor the ANGC event***
- ***Donating an item, gift certificate or service for our fundraising efforts, including our online auction fundraiser in March***

Your donation will support community efforts to keep our 2018 Graduates safe on the highest risk night of their lives. Donors will be recognized in the Marshall "Rank & File" newspaper, community newspapers, the PTSA website and Honor Rolls related to the ANGC event. ANGC is a function of the Marshall PTSA. Your donation is tax deductible under the 501(c)3 non-profit provisions of the US Tax Code; GCM PTSA Tax ID# 541230098.

If you have questions or to make arrangements for donation pick-up, please contact Linda Baker or Jody Toser at [MarshallAllNightGrad@gmail.com](mailto:MarshallAllNightGrad@gmail.com) or 703-819-2017. We appreciate any contribution you can make to keep our Marshall students safe the night they graduate!

Thank you in advance for your support!

Sincerely,

*Linda and Jody*
