

George C. Marshall PTSA Meeting Minutes  
May 17, 2022

Board Members Present: Elizabeth Keegan (secretary), Nicole Myers (treasurer), Jeff Litz (principal)

PTSA Update:

Meeting minutes from April were approved and are posted on the PTSA website. Althea Benjamin resigned her position last month and Kathleen Otoo will not be returning as VP. The PTSA thanks them both for their service. We need to fill both the president and VP positions for next fall. Based on guidance from FCCPTA we are going to hold a special election in June. It is also critical to fill the Assistant Webmaster position. We as a PTSA need to work next year to engage families of underclassmen. Volunteerism has been down across the board, likely due to the pandemic. Marshall's Literature and Art magazine, Reveille, has a new issue out for sale for \$5.

Financial Report:

Nicole Myers reported that little has changed since last month. The PTSA gave \$1000 to the Robotics Club, and ANGC and prom tickets were covered for students in need. ANGC expenditures are picking up.

Board Elections:

Elizabeth Keegan was voted in as Secretary and Nicole Myers as Treasurer for the 2022-23 school year.

Principal's Report:

Mr. Litz stated that senior graduation practices are mandatory. On Tuesday seniors will receive caps, gowns, and tickets. The school is short @ 85 for families who requested extra. The senior trip to Busch Gardens is on Wednesday; there will be five busses driving down. Laptops must be turned in by Friday or there is a \$500 fee. SOLs will be completed by the middle of next week. So far, SOL results have been good. June 6-10 are all half days. There will be no summer assignments this year. Summer School will be held at Marshall this year. Covid has not changed anything pertaining to graduation at this time.

Hospitality Report:

The teacher and staff appreciation event was a huge success. Hospitality will need to recruit new volunteers next year. Because there is leftover money in the budget (from MemberHub donations), Hospitality will host an ice cream social for staff on May 27<sup>th</sup>.

Thank You:

Elizabeth wanted to acknowledge the dedicated volunteers who will be leaving Marshall after their senior graduates this month: Patti McCaleb, Jennifer Manise, Rachel Stott, and Sam Poe.
